Haiti Relief

The recent earthquake disaster in Haiti certainly seems overwhelming to us all. The enormity of the need and the obstacles to effective relief all cause us to feel helpless.

God moved in the heart of one of our parents to mobilize the community to start collecting peanut butter. Venice Christian School will be one of the collection points for this effort.

The peanut butter will be collected from Friday January 15 through Monday January 25th.

Please consider participating in this cause. A jar of peanut butter may seem insignificant in light of the great need but God will bless all our efforts to help.

Thank you.

BREAKING NEWS:

VCS has been challenged to collect 1,000 jars of peanut butter. A generous donor has offered to match the donation with an additional \$1,000. Let's make it happen!
