The Principal's Pen

ROAR

Our fifth through eighth grade classes are participating in a new program called *ROAR*..... Respect, Obedience, Attitude and Responsibility. The students receive star punches on their ROAR cards as they are acknowledged by a teacher for demonstrating one of the above traits. Any teacher is able to punch a student's card recognizing them for their achievement. We have weekly awards during our Friday Chapel.

The younger grades have the *Paws* award in recognition of their good behavior.

Many schools do have programs that seek to develop character. We do so with God's Word as a central guide.

May the Lord bless us as we lead these students into a closer walk with the Lord.

For the Early Birds

The last night time space shuttle lift-off is scheduled this Sunday at 4:30 a.m.
